

How to Get Involved

Get Livestock Assistance

Our farm staff offer free assistance to farmers and landowners and can provide their expertise to address resource concerns on your property.

Visit clarkcd.org/farm-livestock to learn more.

Schedule a Habitat Site Visit

Our habitat staff help residents implement projects that support pollinators, wildlife, and humans alike.

To schedule your own habitat site visit, go to clarkcd.org/get-assistance and fill out our form.

Become Poop Smart

Whether you have a septic system, livestock, or dogs, we have a variety of resources and funding available to help you manage all things poop.

Learn more at poopsmartclark.org.

Attend a Workshop

We have a variety of events throughout the year. From livestock management to meadowscaping, there is something for everyone. Find upcoming events at clarkcd.org/workshops-webinars.

Watch a Webinar

Our archive has informative recordings of past webinars with topics like septic care, healthy home practices, and even native amphibians. Find a webinar at clarkcd.org/webinar-archive.

Read Our Newsletter

Signing up for our monthly digital newsletter is the best way to stay up to date on all things Clark CD. Use the **QR code** to sign up today!

Upcoming Events

To learn more about our upcoming events, visit [clarkcd.org/workshops-webinars](https://www.clarkcd.org/workshops-webinars) today!

Volunteer Potting Events

Do you have a green thumb? Come help us pot trees and shrubs for future restoration projects.

Cover Crop Workshop

This Spring, discover the production-boosting advantages of cover cropping.

Livestock Events

Explore pasture health, grazing practices, and essential technical and financial resources for optimal livestock management.

Firewise Workshop

Learn from professionals how to create a defensible space around your home for wildfire preparedness.

Clark Conservation District Board Election - March 12, 2024

The Clark Conservation District Board of Supervisors announces two open seats on the board – one elected, and one appointed. Conservation District board supervisors are public officials who serve and set policy and direction for the conservation district.

Ballots can be requested until **February 20, 2024 at 4:00 pm**. To receive a ballot, scan the QR code and fill out our form.
